About Us

In 1999, **Partners for Quality Health (PQH)** was created to serve its customer physicians and improve the quality and efficiency of care delivered to the people of Hawaii. PQH, a Management Services Organization (MSO), offers a variety of services that empower physicians and providers to focus on what matters most: improving the health and well-being of the community.

Our Mission is to empower our customer physicians in delivering high quality care to their patients through effective, efficient, and sustainable health care.

Our Vision is to optimize the health of Hawaii through continuous quality improvement, efficient care delivery and joy of life.

Our partners include Pacific Medical Administrative Group (PMAG), Malama Kidney Center (MKC), Integrated Health Hawaii (IHH), and Hawaii Medical Service Association (HMSA).
