About Us

In 1999, Partners for Quality Health (PQH) was created to serve its customer physicians and improve the quality and efficiency of care delivered to the people of Hawaii.

PQH, a Management Services Organization (MSO), offers a variety of services that empower physicians and providers to focus on what matters most: improving the health and well-being of the community.

Our Mission

To empower our customer physicians
in delivering high quality care
to their patients through effective, efficient,
and sustainable health care.

Our Vision

To optimize the health of Hawaii
through continuous quality improvement,
efficient care delivery and joy of life.
